

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE
Transcriber's Office

March 31, 1998 LB 1154A

PRESIDENT ROBAK: The confirmation report is adopted. The Chair recognizes Senator Kristensen.

SPEAKER KRISTENSEN: Thank you, Madam President, members of the Legislature. This morning I'd like to give you a little direction of where we're going to go today and so you can make some plans and perhaps give you a little heads up about where we may head tomorrow. The agenda obviously was prepared yesterday mid afternoon prior to several of the bills actually moving yesterday so you'll see them on the agenda. So this morning we will not take up 1209 since that advanced last night. We will not do 1073, 1073A or 922 because they also moved so you can take those and strike them off the agenda. The General File Speaker priority bills at 3:00 will remain at 3:00. If we get done with the agenda down through 1175 prior to 3:00 p.m. today, we will move over to 1998 senator priority bills on General File starting with LB 1176. So that's the fill in since we moved things last night. That's where we'll go and we'll still keep the 3:00 p.m. General File list. We'll keep the 6:00 p.m. General File list. At 6:00 p.m. it is my intentions that we'd go to 1161, 1161A, then go to 1129 and 1259. And if we are done there and the body still has desires to continue to work, we'll go back in on the senator priority bills that we did not get finished. So that...the senator priority bills will be our fill today, and that's where we will head. It's my intentions that probably tomorrow as long as we make sure everything is down you'll probably visit income tax tomorrow and we'll visit the unified schools bill again tomorrow, and we'll see what progress gets made today. So, Madam President, that's a report of where I would like to see the agenda go today and where people can plan for the rest of the morning and afternoon and hopefully into the evening.

PRESIDENT ROBAK: Thank you, Speaker Kristensen. We then turn to Final Reading so we are on Final Reading. Excuse me, before we go to Final Reading, we're on General File, LB 1154A.

CLERK: LB 1154A, a bill originally introduced by Senator Stuhr. (Read title.)

PRESIDENT ROBAK: The Chair recognizes Senator Wehrbein to open.
